01. PURPOSE OF THE CHEMPLAST AWARDS 2021

The ChemPlast Awards 2021 are intended to recognize the work, leadership and transformation of those companies in the plastics transformation sector, which are committed to innovation, sustainability and industrial digitization, focusing on all areas of the business: development of new products and processes, quality, technology, etc.

The mission of these awards is to encourage and promote innovation. Companies, universities, suppliers, researchers, analysts, start-ups, accelerators, technology parks, innovation centers, and ultimately any professional or entity that is committed to innovation and constant improvement in processes can participate in this call.

02. TOPICS AND CATEGORIES

The proposals that will be considered and accepted to participate in these awards must respond to the following categories:

A. Best technological innovation in the field of development of new materials

B. Best plastic injection solution

C. Excellence in Sustainability and Industrial eco development

The jury reserves the right to redirect a candidacy to another category if it is considered appropriate.

03. ORGANIZER OF THE AWARDS

The ChemPlast Awards 2021 are organized by ChemPlast (Next Business Exhibitions SL).

Below you will find all the information you need to consider your participation in the Call for Awards.

04. WHO CAN PARTICIPATE?

ChemPlast Awards are aimed at all companies, universities, providers, professionals, researchers, analysts, start-ups, or technological centre from all over the world who, invest in innovation and improvement in processes.

05. RESTRICTIONS

There is no restriction in the ChemPlast Awards 2021. Any organization can apply for these awards, as long as it vouches for its candidacy.

06. PRESENTATION OF PROPOSALS

In order to present your candidacy for the ChemPlast Awards 2021, please fill in the details in the online form.

Proposals must be submitted electronically through this website and the terms and conditions included in the online form must be accepted.

The form and all the complementary information provided must be in English or Spanish (proposals in other languages will not be accepted).

No additional document to the form will be accepted, unless it is required by the organization.

The organization reserves the right to request any clarification or additional information on the proposals submitted.

07. REGISTRATION DEADLINE

All registrations must be submitted before **February 19, 2021 at 12:00 pm CET**.

08. EVALUATION CRITERIA

The competing proposals will be evaluated by the Jury of the ChemPlast Awards 2021 in terms of:

- Innovation
- Leadership
- Disruption
- Strategy

09. RESTRICCIONES

PHASE 1

Compliance with the regulations and pre-selection: the organization and the Technical Committee of experts will carry out the first evaluation to verify that each of the candidates meet the technical characteristics and meet the defined selection criteria.

The evaluation process will be carried out by the members of the International Committee of Experts individually, and will serve to choose the finalists for each of the categories.

Shortlisted candidates will be informed as of **March 5, 2021**.

Proposals that exceptionally require it will be required to complement the information.

PHASE 2

Selection of the winners: the International Committee of Experts will meet the days prior to the celebration of ChemPlast Awards 2021 and will evaluate the finalist projects and select the winner of each of the categories.

The finalists will be invited to the ChemPlast Awards 2021 Awards Gala that will take place on **March 24, 2021** where the winner will be announced in each of the categories.

Any category of the award could be declared void by the International Committee.

10. COMMUNICATION OF THE PRE-SELECTION

Shortlisted candidates will be informed the week of **March 1, 2021**.

11. AWARDS

The ChemPlast Awards 2021 will award the winners with the following prizes:

- Two invitations to attend the Awards Gala Dinner for all finalists in each category.
- Dissemination of the award to all the general and specialized media accredited in ChemPlast 2021
- Commemorative trophy as the winner in its category.

12. INDUSTRIAL AND INTELLECTUAL PROPERTY RIGHTS

The participants are responsible for the authorship of the submitted proposal, intellectual property owners and, where appropriate, industrial rights. The participant agrees not to violate intellectual property rights, copyright and / or image rights, and assumes the total responsibility of third parties. The organization is free of all responsibility.

If the proposal is a finalist one, the participant authorizes the organization to disseminate, reproduce and publish their proposal in any type of format and by any means to publicize the ChemPlast Awards 2021.

13. DATA PROTECTION

Due to the confidential nature of the information provided, the organizers, the coordinator and the members of the International Committee of Experts of the awards guarantee to keep the identity of the participants and the content of their projects outside the sphere of the ChemPlast Awards 2021 This also includes all information about your current state or development.

Once the project is selected as a finalist, the organizers of the awards will be able to make public all the details considered as public (name of the project, responsible organization, person in charge, web pages, description, purpose and category).
